JUAN ANTONIO GARCÍA (1966, Palma de Mallorca) “DECONSTRUCCIONES”

OPENING: FRIDAY, JANUARY 27TH AT 20:00 P.M.

EXHIBITION: JANUARY 27TH – FEBRUARY 25TH 2006

JUAN ANTONIO GARCÍA PRESENTS HIS MOST RECENT ARTWORK IN THE GALLERY ABA ART CONTEMPORANY. WITH THE GALLERY, THE MALLORQUIN ARTIST ALSO EXHIBITED THE LAST TWO YEARS AT THE INTERNATIONAL ART FAIR **ART MIAMI** (FLORIDA) WITH CONSISTENTLY EXCELLENT RESONANCE.

UNDER THE TITEL “DECONSTRUCCIONES” GARCÍA SHOWS US 15 FOTOGRAHIES - ON ALUMINIUM AND METHACRYLICO- FROM AN IMPRESSIVE POINT OF VIEW WITH EXCELLENT QUALITY.

DURING THE WORK FOR “DECONSTRUCIONES” - BY EXAMINING THESE STRUCTURES OF LONGTERM DISTRUCTION - THE ARTIST WAS OVERVELMED BY DIFFERENT FELLINGS AND QUESTIONS: WHICH RELATION WAS THERE BETWEEN THESE STRUCTURES AND PERSONS, WHO LIVED THERE, FOR WHAT DID THEY SERVE FOR AND NOT AT LEAST HOW COULD UNCONTROLABEL FORCES AFFECT THEM.

HE WAS FOCUSING ON THE BORDER OF THESE PRECISLY CONNECTED STRUCTURS AND AT THE SAME TIME HE CAME ACROSS WITH THE ABYSM OF DILAPIDATION AND RENUNCIATION. ESPECIALY THIS MADE IT POSSIBLE TO UNTERSTAND THE PAST AND CONFIGURE A HISTORY OF THE PLACES.

THE RESPECTFULLY OBERVATION OF THESE CALM PLACES, ALREADY FOR A LONG TIME WITHOUT NOISE AND PEOPLE, REPRESENT A SO TO SPEAK PERMIT TO THE UNKNOW. AND SOMETIMES THEY LET AROUSE A FEELING OF ANXIETY OF DARKNESS AND ISOLATION – MOMORIES OF CHILDHOD AND ADOLECENCE.

HIS ARTWORK REFLECTS MOMENTES OF SURPRISE AND FASCINATION WITHIN A POETIC LOCATION. NATURALLY THIS OFFERS THE CHANCE FOR THE ARTIST TO PULL OUT HIS CAMERA, CAPTURE DIFFERENT MOMENTS, PREPARE FOR THE NEXT OPPORTUNITY AND PRESENT THESE DESTRUCTIONS IN THE MOST ADEQUATE WAY.
